OUTREACH - that the boys and men, contacted through the various outreach events, come to the Rally free from fear, doubt, and unbelief ... that they bring their friends, relatives, associates, neighbors and peers ... that church members who attend the Rally will bring at least one inactive churchman and/or unsaved man with them ... that the Holy Spirit would soften hearts and prepare them ... that they will have hearing ears.

MUSIC - that the presence and blessing of the Lord will be experienced by the Praise and Worship Teams as they prepare to lead worship at the Rally ... that the Holy Spirit will use their music ministries to engage the hearts of all who hear and "teach what is true, help people realize what is wrong in their lives, and straighten people out and teach them to do what is right, preparing them in every way to be fully equipped for every good thing God wants them to do" (2 Timothy 3:16-17, The Living Bible Translation).

TRANSPORTATION - that churches will use their vans and / or buses to bring men to the Rally ... for safe travel to and from the Covelli Centre and for protection while we are there ... no mechanical troubles, no traffic jams, no accidents ... and for a special sense of God to be experienced in the bus / van.

THE SPEAKERS - that the Lord speak into the hearts and minds of the speakers as they prepare their messages for the Rally.

That they allow themselves to be open to **God's Message** for the men of our region "for such a time as this" ... may they be willing to set aside their own agendas and be sensitive to the Holy Spirit so as to be able to say "thus saith the Lord ... "

COUNSELORS - thank God for the training that will take place, and for the renewal that will be experienced through that training ... may the counselors be sensitive to the leading of the Holy Spirit as they pray and share Jesus ... may God give them boldness to come forward quickly to work with those who respond to the invitation to come to Christ (for the first time) or to come closer to Christ (in reaffirmation and renewal of their commitment) ... to be sensitive to the voice of the Holy Spirit and His guidance for ministering to each unique individual.

USHERS - that the ushers will realize that this is a ministry of hospitality, friendship and cordiality, as they welcome the people and be sensitive to the prompting of the Holy Spirit to the needs of the men as they arrive ... to encourage and/or comfort them .. may they enthusiastically, warmly welcome everyone ... may they be filled with love and compassion and have discernment and wisdom to handle any situation that may arise.

FINANCES - that the churches and corporate sponsors that have yet to give a contribution to the Rally do so (generously) ... that congregations and corporate sponsors that have already given consider giving more ... that Rally attendees will be blessed with a spirit of giving and be obedient to the prompting of the Holy Spirit as to the amount to give cheerfully.

TESTIMONIES - that as a result of the messages by the speakers, the men will be willing to share their testimonies with one another during break-times ... that their testimonies will open hearts to hear the message of life-transformation through Christ ... that their whole being be filled with the Holy Spirit to overflowing so that others not only hear about but also truly see Jesus.

SECURITY - for the persons in charge of security during the Rally ... that there be no disturbances or difficulties that need attention **SO THAT THEY**, themselves, can participate in the Rally and experience the joy of the Lord ... pray that the Lord will be a shield about us all and that He will put a hedge of protection around the entire facility.

FOLLOW-UP - that individuals and churches will eagerly, and promptly, follow up on the names that may be given to them of men who have accepted Jesus as Lord and Savior or have rededicated themselves to Christ and His church ... and may the churches in the region open their doors and hearts to share the love of Jesus with these new (or renewed) brothers in Christ.

ADVERTISING - that God will use the fliers, brochures, billboards, ads, news articles, etc. to call men's attention to the Rally ... may there be freedom from hindrances or obstacles to the advertising being distributed, displayed and received.

FACILITY - that the Covelli Centre be "problem free" during the Rally ... lighting, heating / air conditioning, public address system, bathrooms ... and that people will be respectful of the facility and the persons working during the Rally.

Pray that the churches of our region will become united in their efforts and opportunities for an area-wide revival in which people will be saved - healed - delivered and set free!
